New Features & Improvements | Mobile

No Longer Supports iOS 8

As of October 27th, iOS 8 will no longer be supported. The apps may still function on older versions, but the HotSchedules, Logbook, and Recruit apps will only be supported on iOS 9 and later.

New Features & Improvements | Web

Aggregating Manually-Entered Data

Information that is manually entered in the SPLH and Actual vs Scheduled reports will now be aggregated to their respected reports in the ASC.
