## Table of Contents

<b>New Features &amp; Improvements   Mobile</b>	<b>2</b>
Task List Business Days	2
<b>New Features &amp; Improvements   Web</b>	<b>2</b>
Task List Business Days	2

# New Features & Improvements | Mobile

## Task List Business Days

The Business Day for each Task List on mobile has been added to help managers distinguish the difference between possible duplicates when Task Lists are scheduled past the end of the last Day Part or Business Day.

# New Features & Improvements | Web

## Task List Business Days

The Business Day for each Task List on the web has been added as well to help managers distinguish the difference between possible duplicates when Task Lists are scheduled past the end of the last Day Part or Business Day.
