Task List Wrapping	2
<b>New Features &amp; Improvements   Web</b>	2
Updated Dashboard ToDos and Follow Ups	2

# New Features & Improvements | Mobile

## Task List Wrapping

Task Lists on Android will now wrap to a second line if the name is too long so the entire name is visible.

# New Features & Improvements | Web

## Updated Dashboard ToDos and Follow Ups

Instead of displaying the ToDos and Follow Ups for all users at the store, a user's dashboard will now only display the items that are assigned to, or have been assigned by, the user.
