New Features & Improvements | Mobile

Updated Twitter Text

The text that displays when someone tries to share a job via a Twitter has been changed to "<Store name> is #nowhiring for a #<job> position in #<city> on @HotSchedulesRCT."

New Email Preferences

Mobile users will now see an "Invitation to Apply" and a "Confirmation Reminder" option to in their Email Preferences.

New Features & Improvements | Web

Link in Email Routes to Email Preferences

If a mobile user taps the Unsubscribe link in an email on a mobile device, he/she will now be routed to the Email Preferences page in the app.

Email Confirmation Logic

Users who have not confirmed their email address will receive an email reminding them to do so if the following are true:

- It's been at least 10 days since the last reminder was sent
- Logged in at least one time within the past 180 days
- It's been at least 30 days since the last reminder was sent

Unsubscribe Link in Welcome Email

Users that receive the Welcome Sheet after registering for Recruit can now click an Unsubscribe button to configure their Email Preferences.
